1 All funding for SHIP, known in California as Health Insurance Counseling and Advocacy Program, is eliminated in the House bill.

2 Chronic Disease Self Management would be cut by \$3 million and would move from the ACA's PPHF to ACL under the House Appropriations bill.

3 SMP would be funded at the discretion of the HHS Secretary. Total funding for the HCFAC/SMP account is set at \$18 million but it is as yet unclear what final funding for SMP will be.

Bolded text indicates a year over year funding increase; **Red** text a decrease.
