

Making the Difference: Opening Doors for Older Adults in Alameda County

Building Allies to Address the Housing Crisis and the Unique Needs of Seniors

Presented by the **Senior Services Coalition** of Alameda County

Become a valued sponsor of a distinctive community event

Alameda County's housing crisis is a senior crisis – housing insecurity, displacement and homelessness can have serious health consequences for older adults. New initiatives are springing up throughout the County to expand housing and services, prevent displacement and address homelessness. How will these efforts address the unique needs of seniors, how do we coordinate our efforts, and how can we help these initiatives thrive?

Making the Difference will convene community-based service providers, health care professionals, health and social services agency leaders, housing providers, policy makers and community members. Together we will do a deep dive into what it takes to make a difference for older people in Alameda County.
